APP To those who desire it, we will advance three-fourths of the value of cotton on delivery, charging nothing for the advance except bank interest from the time of the advance until the cotton is sold and the money collected. This can hardly fall to be appreciated by those who bring in cotton on wagons, and want the money to return the same day before the cotton can be sold, and by merchants and buyers who want the money in hand for the purpose of reinvesting. The facilities for remittances by express are such that the shipper can have the money in hand in two of three days after a shipment.

The attention of waglessie dealers is species. The attention of waglessie dealers is species.

PYRON'S Planetary Horse Power.

HE REST HORSE POWER EVER IN-vented! The power of the horse quadru MEN'SHIB, TERM., June 29, 1871. We, the undersigned citizens of Mesuphis, certify that we this day witnessed the application of Pyron's Planetary Power to an Sighty saw Cotton Gin, with the following results: The Gin was revolved with the usual rapidity, with a full roil of cotton, by two mules, at an easy gath and drampht; and we further state that we believe it greatly appearing to any horse power we have any knowledge of, and a power suitable for every planets using a Gin, Grinter Saw-mill.
